

The outdoor pool will officially be opening on Monday June 22nd. The hours of operation are:

Monday: 11am-7pm

Tuesday: 7:30am-3:30pm

Wednesday: 11am-7pm

Thursday: 7:30am-3:30pm

Friday: 11am-7pm

Saturday: 11am-6pm

Sunday: 12pm-6pm

These hours are subject to change. Please call or check our Facebook page for the most up to date information.

We will be running at 50% capacity this summer. To help maintain this, the outdoor pool will only be open to members and no guests will be permitted. Summer pool memberships are currently available, anyone interested is encouraged to contact our membership department for more information. All members will need to enter through the side gate located at the north side of the building, where there will be an outdoor check-in desk. Everyone will be required to have their temperatures checked upon entry.

In efforts to keep a safe environment for both members and staff, we will not be providing towel service, floatation devices or other pool equipment.

We encourage everyone to bring any items they may want to use. Large pool floats and lounges may not be permitted at the lifeguard's discretion.

The outdoor restrooms and changing facilities will be available. While masks are not required while outside, they are recommended in any enclosed space with others, such as restrooms.

Bottled water and adult beverages will be available for purchase. All purchases must be charged to member account, no cash or credit card transactions.

Water fountains will be available for bottle refills only.

Franklin Athletic Club is committed to providing the safest environment possible. While research has shown being outside decreases the spread of COVID-19, we will be increasing our efforts to clean and disinfect all shared surfaces as often as possible. Including, but not limited to tables, chairs, hand rails, and door handles. All chairs will be placed at least 6 feet apart, and it is recommended to keep this safe distance from anyone not in your immediate household. Any further concerns or questions can be addressed by calling us at 248-352-8000.

We look forward to a fun and healthy summer outside at FAC!
